# INSPIRATIONAL ART FOR YOUR HOME SPACE

# DECORATE YOUR NEW HOME WITH ORIGINAL, YET AFFORDABLE ART

If you have ever shopped for original artworks and nearly had your eyeballs fall out of your head after checking the price tag, you might not be looking in the right place. At MayinArt, we offer original artworks at a reasonable price and also provide advisory services for homeowners and IDs to help them find the “perfect” piece in the right colours for the right price.

The collection in this catalog is a subset of what we have on our website. This curated collection of Indian and Indonesian artworks consists of paintings that can adorn the walls of your home, on a budget. They are expressions of happiness, prosperity, positive emotions and strength that can improve the energies in any room. Paintings have generally been proven to bring a sense of peace and calm when positioned strategically in a room. Paintings can also be a way to improve the vastu of a room or home. This collection has on offer various earthly elements, colours and styles that can appeal to a wide range of sensitivities.
