# DISCOVER THE UNDISCOVERED

At The American Club, Singapore  
January 4 - March 3, 2021

# ABOUT DISCOVER THE UNDISCOVERED

Every culture is unique with deep rooted beliefs and distinctive traditions that are apparent in its people, their lifestyle, food habits and expressions. Art is one such expression and a means of celebrating the past which continues to inform and enrich the present. With time, cultures have evolved and so has art.

MayinArt's special curation "Discover the Undiscovered", presents Indian and Indonesian Contemporary art, a distinctive shift from the traditional. Discover the fresh, energetic, lively, warm, sensitive, clever and pertinent elements of Indonesian and Indian Contemporary art.

At MayinArt, we are particularly devoted to uncovering genuine and creative artists from the most interior and remote areas of Indonesia and India, and bringing their works to art aficionados around the world.

With this show, we hope to give the opportunity for all art patrons in Singapore to Discover the Undiscovered Art and Artists.
